THIS MUCH FUN CAN KILL YOU!

If you are looking for a break from the ordinary, and usual, forms of entertainment, let Backstage Productions present you, and your guests,

with an interactive, Mystery Show - sure to put a smile on the faces of all who attend. I don't

know why, but people seem to enjoy seeing a crime occur right in front of their very eyes! Particularly

when the poor victim later takes several bows at the conclusion of the show. And our actors, excuse me, victims, never miss an opportunity to take a bow. Your job, as detectives, is to gather information from the characters, and the crime scene, so

you can figure out "who done it" and why. Who knows, if you are good at this, there may be a job for you in the FBI.

These Characters are Characters

Tony "Tommy Gun" Testadaro, Paulie "Punchie" Provologne, Sean "The Irishman" O'Casey, Frankie "Big Money" La-Russo, Herman "The Vermin" Heinrich, and Sir Reginald Smythe Benton are just a few of the fascinating characters you are liable to

come in contact with at one of our mysteries. And, what about these beauties?

You'll just love Tina "Pinky" Martelli, and her cousin, Andrea "Little Pinky" Martelli. Not to be outdone, you may come across a

"Toots", a "Babe", or a "Doll". Don't think of them as being very domestic though, the only laundry they do is with \$\$\$. And, don't let any of them fool you. As soon as you think you've found your "Little Mary Sunshine", she is likely to rain on your parade.

These, and many more colorful characters, await you for your next party or corporate event. A variety of "Mystery Themes" are available for you to choose from, many of which can be tailored to your specific organization or group. Please give us a call to discuss pricing details, Mystery Packages, and Themes. I'm sure we will find a way to "Make you an offer you can't refuse"!
